Judge: Hon. Jeffrey S. White  
Complaint Filed: December 20, 2011

Plaintiff/Counterdefendant Zep Solar, Inc. ("Zep") and Defendants/Counterclaimants

Westinghouse Solar, Inc. and Andalay Solar, Inc. (together, "WSI") and Lightway Green New  
Energy Company, Ltd., Brightway Global, LLC, Morrison Supply Company, LLC, Sky Solar

Solutions, LLC, and Alternative Power & Electric (all collectively, “Defendants”),<sup>1</sup> by and through their respective counsel, pursuant to this Court’s Civil Standing Order and Northern District of California Civil Local Rule 6-2, make this stipulated request for an order to continue case scheduling dates with reference to the following facts:

WHEREAS, Zep filed this action on December 20, 2011, alleging infringement of Zep’s U.S. Patent No. 7,592,537;<sup>2</sup>

WHEREAS, the parties are engaging in preliminary motion practice related to the dismissal of some parties for a lack of personal jurisdiction and for failure to state a claim;

WHEREAS, the Court vacated the previously set Case Management Conference to allow for resolution of these motions, and there are accordingly no other dates presently scheduled (save dates for briefing and hearing on the above referenced motions);

WHEREAS, by Order dated April 16, 2012 the Court granted Zep until May 30, 2012 to take discovery as to whether Morrison Supply and Sky Solar Solutions have contacts with California sufficient to support personal jurisdiction (Docket No. 56);

WHEREAS, recently, in the last several weeks the parties have engaged in settlement discussions;

WHEREAS, the parties have made significant progress in those discussions and are optimistic they will achieve a final resolution of the parties’ disputes in the coming weeks;

WHEREAS, in light of these positive developments, the parties have already obtained a stipulated deferral of dates in the International Trade Commission relating to a complaint filed by WSI against Zep in that forum (Exhibit A);

<sup>1</sup> Defendants Morrison Supply Company, LLC and Sky Solar Solutions, LLC are specially appearing for the sole purpose of indicating their agreement to this Stipulation and do not by this stipulation, and the parties agree by this stipulation do not, waive previously asserted objections to personal jurisdiction.

<sup>2</sup> The parties are presently involved in a series of additional actions in the Northern District of California and United States International Trade Commission concerning two WSI patents – U.S. Patent No. 7,406,800 (the “800 Patent”) and U.S. Patent No. 7,987,641 (the “641 Patent”) (*Akeena Solar et al. vs. Zep Solar, et al.*, U.S.D.C. N.D. Cal. Case No. CV 09-5040 filed October 22, 2009 re the ‘800 patent (stayed); *Zep Solar et al. vs. Westinghouse Solar, et al.*, U.S.D.C. N.D. Cal. Case No. CV 11-3800 filed August 2, 2011 re the ‘641 Patent (stayed); *In the Matter of Certain Integrated Solar Power Systems and Components Thereof*, USITC Investigation No. 337-TA-811 filed October 3, 2011 (several dates deferred approximately 30 days)).

WHEREAS, the parties wish to obtain a similar deferral of upcoming dates in this Action to facilitate these ongoing settlement discussions;

ACCORDINGLY, it is HEREBY STIPULATED by and among the parties and their counsel of record that the current scheduled dates in this action be deferred by approximately thirty days and be modified as follows (under the "Proposed" column):

Event	Current Date	Proposed New Date
WSI, Morrison Supply, and Sky Solar to file amendments to their answers and counterclaims, if any	May 4, 2012	June 1, 2012
Zep's Opposition to Alternative Power & Electric's Motion to Dismiss	May 15, 2012	June 15, 2012
Alternative Power & Electric's Reply on Motion to Dismiss	May 22, 2012	June 22, 2012
Zep to Complete Jurisdictional Discovery Pursuant to this Court's Order of April 16, 2012 (Docket 56)	May 30, 2012	June 29, 2012
Zep's Opposition to Sky Solar Solutions and Morrison Supply Co.'s Motion to Dismiss	June 6, 2012	July 6, 2012
Hearing on Alternative Power & Electric's Motion to Dismiss <b>DOCKET 72</b>	June 8, 2012	July 13, 2012 <sup>3</sup>
Sky Solar Solutions and Morrison Supply Co.'s Replies On Motion to Dismiss	June 13, 2012	July 13, 2012
Hearing on Sky Solar Solutions and Morrison Supply Co.'s Motions to Dismiss <b>DOCKET NOS. 12, 14</b>	June 29, 2012	<del>July 27, 2012</del> <b>August 3, 2012</b>

The Court previously continued the hearings on Defendants' motions to dismiss. Docket Nos. 51, 56. The Court vacated the date set for the Case Management Conference. Docket No. 56. The scheduling modifications requested by this stipulation will not affect other dates set in this action.

<sup>3</sup> The parties request that the hearing on Alternative Power & Electric's Motion to Dismiss be continued to July 13, 2012, which is more than 30 days from the current hearing date, as that appears to be the first available hearing date on the Court's calendar.
